

IN THE SUPERIOR COURT OF FULTON COUNTY  
STATE OF GEORGIA

DEBRA KELSO,

Plaintiff,

v.

CITY OF CHATTAHOOCHEE  
HILLS, GEORGIA,

Defendant.

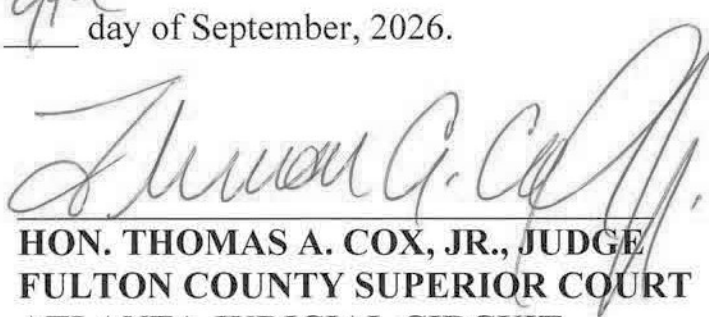

CIVIL ACTION

FILE NO. 26CV006801

**ORDER DENYING MOTION TO DISMISS**

The Court having reviewed and considered Defendant's motion to dismiss hereby DENIES the motion. Georgia Courts have found that service is an amendable defect. The Plaintiff has shown that service has now been perfected, thus the defect is no longer present. Further, the Court finds that the section OCGA 36-66-5.1(d) is not triggered yet as the City has failed to certify that a stay of proceedings would create imminent peril to life or property.

SO ORDERED, this the 9th day of September, 2026.

  
HON. THOMAS A. COX, JR., JUDGE  
FULTON COUNTY SUPERIOR COURT  
ATLANTA JUDICIAL CIRCUIT
